CxO CONCLAVE 2026

Leadership Redefined:

Leading What's Next?

Turning Strategy, Technology & Talent into Business Value in an Uncertain World

FRIDAY, 27 NOVEMBER 2026

Sheraton Grand Pune

CxO Round Table 2025 at The Westin, Pune

An evening of leadership dialogue and peer exchange

The chapter behind the conversation

Since 2005, PMI Pune-Deccan India Chapter has connected project, programme and portfolio professionals with business leaders, enterprises and academia.

The Chapter supports professional learning, industry collaboration, mentoring and community impact through its programmes and volunteer network.

Peer exchange at CxO Round Table 2025, The Westin, Pune

For leaders responsible for change

CXOs and business heads, GCC and PMO leaders, transformation executives, industry experts and academic leaders.

The leadership conversation

Three Special Interest Group panels explore how leadership decisions translate into business value.

01 AI & GCC

Artificial Intelligence and Global Capability Centres

Enterprise AI adoption, responsible governance, capability building and future talent needs.

How can AI and talent investments create measurable value?

02 Automotive

Technology adoption and automotive business performance

Connected technologies, AI and resilient supply chains, viewed through the priorities of automotive leaders.

How can automotive leaders turn technology into business value?

03 Manufacturing

Industrial transformation and business performance

AI-enabled operations, Industry 4.0, resilient supply chains and workforce readiness.

How can transformation choices improve business performance?

Your evening at the Conclave

A focused forum to compare experience, question assumptions and connect leadership choices with execution.

Leadership dialogue

Discuss the choices that connect strategy, technology adoption and organisational capability.

Three SIG panel discussions

Hear industry perspectives from AI & GCC, Automotive and Manufacturing.
